Extreme Photo and Beyond

Our friends at Extreme Photo will be in the gym all weekend, capturing every moment. But, to see the drama and glory that they capture, you must sign up *ahead of time* at the Extreme Photo Booth!

Make-A-Wish Foundation

Last year, the amazing athletes at the Team Challenge collected over \$10,000 in donations for this very worthy cause. Look for the information at your gym in the coming weeks, and get involved. Together, we are making a difference!

Event Finals: This is a very special piece of the competition. The top 5 scorers on each event for Level 9 and for Level 10 are invited back on Saturday night for an all new competition. The drama and excitement abounds as these top qualifiers compete on their best event – under the spotlights. Be sure to come see the best of the best compete on Saturday night. Parents of competitors will be allowed to upgrade their admission tickets from Friday to weekend passes. There is no entry fee for competitors. The prizes in the past have ranged from TV's to iPods to Vera Bradley bags to Olympic Trial tickets. What will we give away this year???
