**IMPORTANT: Makeup Policy:** We have revised our make-up policy to be pro-active in the current health climate. If your child is sick, particularly with a fever, please do not send him/her to gymnastics! You will be allowed to makeup ALL missed classes this session. Thank you for your help in keeping illness to a minimum in our community!

In the event of inclement weather, please check our website or call the office and listen to the recording before you get into your car. If there is no "special message," you can assume we are open. If we are closed, there will be a notation of that closing. We will schedule makeup classes for anyone affected by our closing determinations. If you choose not to drive in questionable conditions, you will be allowed to schedule makeup classes.
